

CELEBRATING LOCAL HERITAGE!

The stunning large feature garden designed by Belfast based Architect and Landscape Designer James Purdy takes his inspiration from the Mournes, while the community focused team challenge gardens will celebrate CS Lewis and draw inspiration from **Narnia**.

Spot the **'Legends of Northern Ireland'** in Allianz Scarecrow Avenue, which might include anyone from Finn McCool to Rory McIlroy!

We have **traditional countryside crafts** with talented craftsmen demonstrating their skills. Visitors will be able to enjoy blacksmith Eamonn Higgins working with the glowing metal as he creates items live for visitors as well as gifted craftsmen creating wood sculptures from bog oak.

WIN!

Some of our sponsors are offering fabulous prizes! Get lucky! Have a go at the competitions!

Allianz are offering a **cash prize of £1000**. To enter the prize draw simply fill in the Allianz leaflet and leave into the Allianz Hub (number 26 on the map).

Vote for your favourite Grower display for your chance to **win a £300 3D landscape design package** for your garden from Acheson Glover. Just call in at the Growers' Pavilion (number 19 on the map) to admire the wonderful displays of specialist growers' plants and vote for the best display.

Visit Click Energy NI's Relax and Recharge area (number 29 on the map). The relaxing zone will play host to the Click Energy interactive **'Switch to Win'** game, where show visitors will have the chance to win thousands of prizes daily.

BE ENTERTAINED!

Soak up the atmosphere and be entertained by the **Martello Jazz Band** playing throughout the weekend on the veranda of the Punjana Tea Pavilion!

Enjoy the wonderful Sestina **pop-up performances** throughout the gardens. Have your photo taken with the wandering still walkers.

Keep your eyes peeled for glimpses of our Narnia legends such as the Faun Mr Tumnus, the wise Mr Beaver, the old professor Digory Kirke and even the White Witch Jadis. They are a chatty bunch these Narnians, so do not be shy to speak with them and perhaps they will give you an insight to what Narnia truly is..."
